FEATURED WINE

SCRIBE "ATLAS EAST" [Cabernet] NAPA VALLEY, 2016

Grown along the eastern slope of Atlas Peak in Napa, on an isolated vineyard composed of gravelly, volcanic soil and surrounded by lush California wilderness. Positioned above the fog line at an elevation of 1600 ft., the east and southeast-facing site sees cool morning sun followed by shade from the bright afternoon heat provided by the ridgeline. Even for this bigger style of mountain Cabernet, our approach to winemaking remains consistent--fruit is harvested when sugar levels are low to balance the wine's powerful structure and depth with a light layer of brightness.
