### PIERRE-YVES COLIN-MOREY

Pierre-Yves Colin needs very little introduction. In the past decade, he's gone from rising star to full-fledged sensation in Burgundy and his wines have achieved "must-buy" status among sommeliers, collectors, and Burgundy drinkers alike.

The approach in both the vineyard and the winery is natural and non-interventionist. he eliminated the use of herbicides in most of the vineyards and switched to plowing, which deepens the root system and improves the flavors of the wine. Approximately 60% of the total production now comes from the estate vineyards in Chassagne and Saint Aubin.
